**Alternatives to Single-Use Beverage Machines**

These use K-cups which are non-recyclable and non-biodegradable. Last year 9 billion K-cups were sold.

*Does your office have a Keurig?*

Replace the Keurig with a drip-coffee machine or expresso machine for coffee and a plug-in water boiler for tea.

Below are examples of these that can be purchased in Buzzmart.

**Examples of Great Alternatives in Buzzmart:**

- **Coffee Maker Single Black 12 Cup**
